WORSHIP GOD	Focus on one or more attributes of God and praise him for who he is.						
THANK GOD	Thank God for his salvation, protection, provision, and answers to prayer.						
CONFESS NEED	Admit your sin, accept God's forgiveness, depend on him for real change.						
UPLIFT OTHERS	Intercede to God for the people in your life.						Review your Bible reading and insights from the week, then request wisdom to use your time well and be a blessing to others. Pray for anything that may be on your heart. Is there some small way that you can be a blessing to a person on your prayer list today or even be an answer to prayer?
Close family	Read a Psalm to prepare yourself for worshipping God and serving others with your church family. Ask for a humble heart, teachable spirit, and the ability to be a blessing to others. Also pray for those who will be lead in worship and teaching God's Word at church. Then listen to some uplifting Christian music!	Include your spouse, children, and parents daily.
